

Basic Pure

The ideal basic roughage mix for every horse. Rich in structure due to a variety of fibers and raw fiber sources. This mix provides an extra chewing stimulus, causing a higher production of saliva. Very suitable for sober breeds, due to the low sugar, starch and protein content. Contains a hint of mint, so that the taste is even more attractive to the horse.

USP's

- Extremely low in sugar and starch
- Mixed with linseed and olive oil
- Free of whole grains, molasses and soy
