

Slow Fit

A comfortable Support Mix which is high in fat and protein, with extra oil and magnesium mixed in. Very suitable for recreational and sport horses that need energy but have to remain workable. This mix contains many vitamins and minerals and little sugar and starch. The Slow Fit contributes to the comfort of powerful, but slowly released energy and has been developed for "sharp" and sensitive sporthorses.

USP's

- Provides calm but powerful energy
- Rich in magnesium and vitamins & minerals
- More than 50% less feeding compared to regular muesli
- Alfalfa free
