

MultiBeet Xtra

Our healthy alternative in the world of soaked products! The Multibeet Xtra is a carefully developed roughage feed for skinny, lean (sport) horses that have to get back into perfect condition. The mash is completely grain-free and is very low in sugar and starch, making it ideal for horses that are sensitive to sugars.

USP's

- With extra fibre out of timothy and esparcette
- Low in sugar and starch
- Grain, soy and alfalfa free

Daily feeding advice

Preparation: 1 part Multibeet Xtra to 3 parts water. The soaking time with cold water is at least 90 minutes - The soaking time with warm water = approx. 20 minutes

Soak a maximum of 1 kilo of dry product per feeding (this may of course also be less).

For older horses that eat poor roughage, or horses with dental problems to replace roughage: soak 1 kilo of dry product per 100 kilos of body weight

**Tip: add one of the Florian balancers to use the Multibeet Xtra as a complete food.*

Pay attention: This product NEEDS to be soaked before feeding!!
